Federal Election Commission  
Washington, D.C. 20463

To Whom it May Concern:

The Friends of Frank Wolf campaign committee has amended the July Quarterly Report in order to correct a previous error on two contributions. The contributions were from the American Medical Association PAC dated June 6, 2006 and the USAA Employee PAC dated June 8, 2006. The contributions were received and deposited by the committee on June 22, 2006. The previous dates used for reporting reflected the date on the checks instead of the date of receipt by the committee.

Sincerely,

Melinda Conner  
Friends of Frank Wolf
